

## COVID-19 update from Stylus

During this current crisis, Stylus employees are working from home — we are still connected and here to help you if you have questions or difficulties. **We understand that many of you are also home-based at the moment, so we can send desk/exam copies to your home if that is more convenient.**

Our warehouse and office facility are taking every precaution possible so that we can continue to process your orders. Our response time might be a little slower than usual, but we will be in touch.

Let us know if you need your examination copy or anything else sent
